

GCCYS BOYS VOLLEYBALL RULES

1. You must be a member of a participating parish or attend the school to play on a GCCYS team/league. Each member's sports coordinator/director must insure that all rosters are submitted and GCCYS liability waivers completed before the first game. Players may be added to the roster before the sixth game. Players may only play on one GCCYS team.
2. Please pay the officials before the game after they have signed your scorebook. The Referee schedule and pay schedule is as follows (**this changed beginning with the Spring 2018 season**):
 - 3rd, 4th, 5th, and 6th Silver: Only ONE referee will be at each match. ONE referee will be paid \$20 total (coaches from each school should pay \$10 at each match)
 - 6th Gold: Two referees will each be paid \$20 each, \$40 total (coaches from each school should pay \$20 total at each match)
 - 7th & 8th: Two referees will each be paid \$25, \$50 total (coaches from each school should pay \$25 total at each match)

In the event that only 1 referee shows up for a 6th gold – 8th grade game, they ONLY COLLECT for themselves and not for the missing referee.

Officials have been instructed not to take abuse from coaches. They will ask you to leave or forfeit. Let's all demonstrate good sportsmanship. If you do not show up for your match it will be considered a forfeit and your school/parish will be subject to a \$50 fee. The referees will be paid, their normal fee, at the start of the match and there will not be any forfeit fees to the school/parish. Forfeit fees should be sent to the GCCYS and we will take care of paying the officials. If these fees are not paid, you are ineligible for the post-season tournament. All games are to be played as scheduled. The GCCYS is the only one able to change games and games will only be changed for parish/school sponsored events that are mandatory. The GCCYS office must have 10 days' notice of any game changes unless a catastrophic reason.

3. All leagues will play by the National Federation Volleyball Rules with GCCYS modification:
 - a) You will play 10 matches
 - b) No A-B-C teams prior to 6th grade. Grades 3rd- 5th are to be evenly divided (balanced).

- c) All teams in 3rd-5th and 6th-8th recreation teams must play each player one full set from start to finish. For teams playing an eight-player rotation, this will fulfill the “ 1 complete set” requirement - granted they don’t get substituted out of the game. Coaches should strive for roughly even playing time or what is determined by your school/parish. Exception is if a player is injured or sick. You must play all your players regardless of the opposing team’s size. 6th-8th grade competitive teams have NO required playing time. Gold and Silver brackets will be competitive status with Bronze playing recreational. If there is not a Bronze division during the regular season and a Bronze level is created for the post season tournament, competitive rules apply. The scorekeeper must sit at the scorer’s table. It is the scorekeeper’s responsibility to keep track of playing time.
- d) 3rd-8th Grades: 1. Scoring is rally scoring. First two sets to 25 (no cap) and third game to 15 (no cap). 2. Net serves ARE allowed. 3. Legal contact is a touch of the ball by any part of a player’s body that does not allow the ball to come visibly to rest or involve prolonged contact with a player’s body. 4. Timeouts – 2 timeouts per set regardless of score
- e) 3rd and 4th grade may only serve four (4) consecutive points; offensive team must rotate at this time.
- f) Serving lines for 3rd-4th grades may move into the court 15 feet. Serving lines for 5th-6th may move in the court 10 feet. PLAYERS SERVE FROM SERVING LINES AVAILABLE AS NO OTHER LINES WILL BE ALLOWED FOR SUSTITION.
- g) All grades can rotate up to 8 players. Teams are permitted to rotate in 1 or 2 players. These players are listed in serving order at the beginning of each set. Players waiting to rotate onto the court may NOT touch the ball when it is hit at them. Every effort must be made to move away from the ball, judgment will be left up to the referee.
- h) SUBSTITUTION RULE: 3rd–8th grade 18 substitutions per set. The first line-up DOES NOT count as an entry.
- i) The net height from the floor to the top of the net is as follows: 3rd-4th -----
-- 6 feet 6 inches 5th-6th -----7 feet 7th-8th ----- 7 feet 4 1/8 inches
- j) Prior to a match teams are permitted 5 minutes warm-up time. No match will start prior to match time. Grace period for the 1st set is 10 minutes. The 2nd and 3rd set will be 5 minutes.

- k) Teams must start a match with a minimum of 5 players. This rule is in place to assist parishes in keeping teams from getting very large and allowing some flexibility for coaches for matches to be played.
 - i. If a 6th player arrives after the start of a set, the player may not enter the match until after the current set is completed.
 - ii. Teams starting a set with only 5 players will result in the 6th player as a “ghost” player. Every time the ghost player moves into serving position it will be an automatic side out to the other team (loss of point and loss of serve). The ghost player should automatically take position #6 in your serving and rotational order.
 - iii. If a team starting with 5 players sustains an injury, the match can continue with only 4 players. This will result in two ghost positions. If the match continues to a new set, the ghost players should automatically take positions #3 and #6 in your serving rotational order and will continue to be side out for the other team.
 - iv. If a team has 4 players or less, they may obtain a substitute player(s) so that the match can be played. The match will count as a loss, awarding all three sets to the opposing team but the match will be played. The referees will be paid their normal fee at the start of the match and there will not be any forfeit fees to the school/parish.
 - l) 3rd-4th grade will use Volley Lite balls or any similar lightweight ball designed for 12 and under play.
 - m) No jewelry may be worn – including earrings (band aids may not cover them). No face paint, hair paint or glitter. No hard beads or plastic headbands will be permitted. Bobby pins and flat hair clips are permitted as well as any soft headband. Jersey may only be tied back to compensate for size of shirt.
 - n) Division winners are determined by total number of sets won not by the number of matches won. All sets must be played every match.
 - o) Every team is automatically entered in the GCCYS postseason tournament. Teams that play in the A leagues will play in the GCCYS Division I City tournament and will be seeded. The tournament pairings will be based on records after the 8th match. If you do not wish to be entered in the tournament you must notify GCCYS a minimum of two weeks prior to the end of the regular season.
4. Winning team must report scores within 48 hours of the match. Teams with the most wins will be declared the winner.
